Principal's Letter

Dear Families,

It's cool and crisp and the leaves are beautiful! We had a great month in September with learning, positive behavior, and activities. **Thanks** everyone for working together to help all students find personal and academic success.

Recess is an important time for students to play and exercise. As a reminder, we go outside for recess in all kinds of weather, including regular rainy days, so please make sure kids come to school prepared. Indoor recess is rare, except when it's unsafe. We appreciate your understanding and support. Be sure to play outside as a family after school or on weekends.

The district will mail State **SBA results** to all families in grades 4, 5, and 6. Meridian Park scores reflect the hard work of our students, our families, and our committed staff. If you have questions about your child's scores, feel free to contact me, your child's teacher, or visit www.k12.wa.us/assessment/. If you need a copy of your child's state report, call Jill in the office she will gladly mail you a copy. 2015 was the first year of this state assessment, and we continue to learn from the content and results to improve our program.

Beginning this year and related to the teachers' updated contract, we are now on a semester system. This means there are two reporting periods, not three, and there will NOT be a December report card. Beginning this year, written progress reports will be provided at the end of February and June. To check on progress during each semester, conferences will be in October and March.

The first round of Parent/Teacher Conferences are October 14, 15, & 16.

October Conferences are a great opportunity to establish a positive working relationship and communication plan with your teacher. Please double check your day and time; contact your teacher if needed. We look forward to having 100% participation. The second round of Parent/Teacher Conferences will also be held the week of March 7, so please mark your calendar now. (No school March 7).

Family Access to online tools for student information and programs:

- **Skyward Family Access** allows access to the student information system and your student's attendance, lunch account, academic history, and more.
- **Data Dashboard** allows you to see your student's assessment & academic data.
- Pearson/Envisions **Math** Program, where you'll find many math program resources.

Our district, school, and PTA websites are great sources of information, and I hope you will refer to them often at www.shorelineschools.org/meridianpark/.

Academic and personal **growth** is a priority at MP. We are working to grow with academics and habits of mind, work, and heart. Our school goals focus on academic growth with core standards knowledge and skills, while also promoting growth with positive behavior and friendship. We have one of the best positive behavior systems in the area to help students learn to be self-managers. We continue to learn about the brain and taking short regular brain breaks to stimulate brainpower. For more information, I encourage you to read [Brain Rules](#) or [Growth Mindset](#).

Please join the Meridian Park PTSA. I hope to see you at conferences and our PTSA **Fall Family Night on October 29**. Our staff continues to work very hard to provide the best experience for your children—be sure to say thanks when you get a chance. Your students are simply the best, and we are grateful for your family.

~David Tadlock, Principal
david.tadlock@shorelineschools.org

Reminder: early dismissal at 11:45 am on October 14-16.

TADLOCK TIP #2 - HOMEWORK

Homework can be both an opportunity and a challenge. While we value homework for additional practice or completion time, we do not want homework creating stress. Parents can help with structure, encouragement, perspective, and snacks. Please let your student(s) do the work, even if they struggle. We value productive struggle and growth. Please set good limits on screen time and read with your kids. Thank you!

COMMUNITY FLU SHOT CLINICS IN OCTOBER

The Shoreline School District is committed to helping keep our students, parents and our community healthy throughout the entire flu season. That's why we have partnered with the Seattle Visiting Nurse Association to provide **"flu shot clinics"** for our district.

Many people believe that seasonal influenza ("the flu") is much like the common cold and that it cannot be prevented. But, influenza is a serious and potentially dangerous disease. Each year students miss approximately 38 million school days due to the flu and each year parents miss more than 10 million workdays caring for their sick children.

According to the CDC (Centers for Disease Control and Prevention), the single best way to protect you and your family from influenza is to receive a "flu shot" each year. The CDC recommends that everyone over six months of age should be vaccinated against the flu.

Flu Shot Clinics will be held at the following central locations within the district:

- **Shorecrest High School – Wednesday, Oct. 15, 2014 from 3:00pm – 7:00pm**
- **Shorewood High School – Wednesday, Oct. 22, 2014 from 3:00pm – 7:00pm**

Clinics will be open to all Shoreline School District children (four years of age and older) families and staff. Please note that students under the age of 18 will need a Patient Consent Form signed by a parent or guardian. Patient Consent Forms will be available at the clinic site.

All participants will be asked to provide their health insurance information (card) to receive an immunization. SVNA will electronically bill the insurance plan for your flu shot. They bill all insurance plans including Apple Health (Washington State Medicaid) plans. Flu shots are considered preventative care and are not subject to deductibles or co-pays. This means no out-of-pocket expense for most participants.

Copyright © 2010 Shoreline School District

Please join us this season as we keep our schools, families, and communities healthy and flu-free!

ADDITIONAL INFORMATION ON F.L.A.S.H.

The Shoreline School Board has approved the use of F.L.A.S.H. (Family Life and Sexual Health) curriculum in grades 4-12. In the spring of 2010, the Board acted on the recommendation of the District Instructional Materials Committee and the Committee to Select Sexual Health Curriculum. A committee of parents, teachers, nurses and students worked with facilitators from King County Health and the Center for Health Training to evaluate the state approved programs and to ensure that the District is in compliance with current state laws regarding sexual health education.

REQUIRED TITLE 1 NOTICE

We are very proud of our highly qualified staff at Meridian Park Elementary School and would be pleased to share any information regarding the professional qualifications (teaching certificates, endorsements, college degrees) of your child's classroom teacher, Title 1 teacher, or instructional assistants. As part of the No Child Left Behind (NCLB) Act of 2001, parents have the right to this information. Please contact Mr. Tadlock if you would like to request these facts.

LOST AND FOUND

Please check the lost and found – there are a lot of lost sweatshirts and coats! We will be donating clothing to The Works in November, so claim your items now!

SUBSTITUTES NEEDED

Shoreline School District is in desperate need of substitutes. We are hiring for both Certificated (teaching degree required) and Classified positions (no degree required). Classified substitute positions include playground/lunchroom monitoring, crosswalk, para-educator (classroom help) and more! Substituting can be a very flexible part-time job, or full-time profession. The job offers many benefits such as:

- Flexible work hours

- \$135-\$145 per day (certificated)

- \$11.58-\$13.88 per hr. (classified)

- Influential to students

- Great practice for future teachers

- You choose the age group of students to teach

Applicants with an interest in having a positive impact in Shoreline classrooms are encouraged to apply. For additional information and to access the online application go to: <http://schools.shorelineschools.org/hr/substitute-information/>.

PTSA President's Letter

Happy Fall Meridian Park families!

Thank you to everyone who visited our Open House during Curriculum Night. We were thrilled with the turnout and excited to see so many parents wanting to learn more about PTSA activities and programs and signing up to volunteer for activities and events.

We want to extend a special invitation to attend the first General Membership meeting of the year coming up on Tuesday, October 6th from 7:00 - 8:30 pm in the Library. There will be a brief business meeting followed by a short presentation by Principal David Tadlock regarding the new literacy program being used by the district. FREE childcare and snacks will be provided!

To accommodate the General Membership meeting start time, the October 6th Board of Directors meeting will be from 6:00 - 7:00 pm. Our regular monthly Board of Directors meetings are held on the first Tuesday of the month from 7:00 - 8:30 pm in the Library. YMCA provides free childcare and all of our meetings are open to the public. Want to know about other important dates? You can subscribe to the PTSA Calendar online here: <http://mpptsa.org/calendar/>

We are still in need of a **VP of Events**. This is a very fun volunteer job that includes organizing and coordinating PTSA events held at Meridian Park (i.e. Fall Harvest & Culture Fest, Movie Night, and Noodlepalooza). There are past event

coordinators just waiting to pass on their knowledge and help you get settled into this position. If interested, please contact me at mpptsapresident@gmail.com.

Speaking of the Fall Harvest & Culture Fest (formerly Fall Festival), we are looking for families who would like to showcase their culture, heritage, country or state. Families are given a table and art display in the gym so they can display artifacts, maps, trinkets, and costumes that will help teach MP families all about that particular culture, heritage or country. This free event will be held on Thursday, October 29th in the gym and cafeteria. Stay tuned for more details about this event that will include entertainment, face painting, costumes, food and much more!

Lastly, thank you to the 158 people who have become MP PTSA members! We are grateful for your participation! We continue to get closer to our year-end goal of 192 members so if you haven't considered becoming a MP PTSA member, please do!

Thanks for your support,

ART DOCENTS NEEDED

Meridian Park Elementary needs more Art Docents for the 2015-2016 school year!

Art Docents are parent volunteers who meet four times a year to learn about art projects for the kids. The docents, in turn, teach or assist with those art projects in your child's class, three times during the school year. It's a super fun way to get involved with art, the school, your child's class, and other parents!

How much you do is up to you. If you want to teach or assist just in your child's class, that's great! Up for multiple classes? Fantastic! The lessons are planned in advance so that you will be able to present them with a PowerPoint presentation in the classroom, and then lead the class through the activity. Sound like too much? You can assist another volunteer or simply hand out paper! There's no such thing as too little help.

Not available during the day for classroom help? Volunteer to set up for evening events! Help with the annual fundraiser, create flyers, or send emails! You can still help.

For more information or to join us for the 2015-2016 school year, please contact Carrie Yandell at cyandell@gmail.com or Krista Morrison shabshack@yahoo.com. Thank you!
