All Families Welcome

At Meridian Park Elementary, we welcome, embrace, and care for <u>ALL</u> families. Because at times families can experience feelings of uncertainty or anxiety, we cannot say strongly enough that our public schools, including Meridian Park, are a safe place for ALL students and families to learn, grow, and be part of a community. If you or another family have any questions, concerns, or need support, please contact me directly or any member of our staff. Each and every day, please join us in making all families feel welcome and part of our wonderful school.

Help Wanted

PTSA FUNDRAISING COORDINATOR

Can you organize people, can you help us raise money? Do you have ideas or expertise for this kind of job?

We have **3 fundraisers a year** that need to raise approximately **\$25,000** total to keep our current PTSA line items and programs.

This job involves checking in with the PTSA Board and helping to run the fundraisers. It does not mean doing all the work. This job is delegating and keeping us all on track. It does involve regular communication with the folks working the fundraisers.

It is a great opportunity to work on networking and meeting people at school. There are many hands to help, and they just need someone directing traffic.

Please email mppstapresident@gmail.com, and let's talk about it!

Internet Safety Event - June 13th

ATTENTION ALL PARENTS OF 5TH AND 6TH GRADERS

and other interested parents of current MP students:

Our school, with the support of the MP PTSA, will be holding its first **Internet Safety Event** for both our 5th and 6th grade kids and their parents. It will focus on up-to-date issues regarding cyberbullying, social networking, and online posting and relationships.

These two separate sessions will be held on Tuesday, June 13th at Meridian Park.

The students' session will be during the day, and the parents' session will be at 7:00 p.m. in either the cafeteria or the gym.

PLEASE pass the word along to other MP parents about this great event and extend the invitation to other Shoreline School District parents. It will greatly improve our communities.

Bring your kids to the park for some sunshine and outdoor time, and <u>look for us in bright green</u> <u>t-shirts near the balloons</u>. We hope to see you!

Contact Linda Tsai at <u>neonfish@comcast.net</u> or Courtney Olander at <u>courtneyolander@gmail.com</u> with questions.

Please note: This is an informal gathering of interested Hi Cap families and is not a sponsored event by the Shoreline Hi Cap Advocacy Group

Items will be bagged and taken to The WORKS on *Friday, June 16th*. Please claim your items soon!

May Teacher's Appreciation Week Thank You!

A big thank you to all the students and families who helped make **May's Teacher Appreciation Week** a success! Thanks to your food donations, we were able to treat the teachers to a lovely salad bar lunch in the newly cleaned and refreshed teacher's lounge!

A big "shout out" to the generous donations from the Gray, Norton and a few other anonymous families who purchased items from our Amazon Wish List to make the kitchen an inviting spot for the teachers and staff here at MP. It's now stocked with new dishes, silverware, utensils, platters, soaps, towels and lots of other handy gadgets for their daily use.

The best gift, however, was seeing that hundreds of you filled out **Appreciation Pages** for your teachers with kind words of gratitude for all they do. Thank you for supporting our teachers!!

PTSA President's Letter

Robert G. Ingersoll wrote, "We rise by lifting others." As parents, we lift our children with our hard work, sacrifices, and love. We rise when our children laugh, when they are brave, and when they try their hardest. As a school community, we lift everyone's children when we volunteer our time. talents, and hard work to Meridian Park Elementary, and we rise when our children are enriched by all that we have to offer and are excited to come to school. We officially recognized the many volunteers who have shown up and helped out this school year on the evening of June 6th at our monthly meeting. Each volunteer lifted our school community higher and higher. THANK YOU!

As the 2016-17 school year ends and we dive into summer, it is easy to forget that the next school year is just right around the corner. Planning for next school year is already going on, and we are excited about the cool things we have coming up. There are plenty of volunteer opportunities for the coming school year.

Principal's Letter

Dear Families,

This has been another incredible year at MP. Because of our amazing students, hardworking staff, and super supportive parents (that's YOU!), we continue to learn and grow. We are committed to preparing each student for next year right up until our last day before summer break.

Welcome kindergartners, class of 2030! We extend a very special welcome to kindergarten families from around the district to Kinder Land at MP. We are honored and thrilled you will be part of our school community next year. It's going to be a lot of fun.

Our teacher teams are working carefully to create class lists for the fall. At MP, we are intentional about creating classes that are balanced, provide opportunity for student success, and are a good match for teacher, student, and family. Teachers collaborate in teams and consider many important factors, including social dynamics, learning and teaching styles, and class size. There also are challenges related to the two programs and limited number of classes per program. Please keep in mind that combination classes are likely, and changes are possible the first week of school. We will do our best and appreciate your trust.

Kindergarten classroom assignments will be announced along with grades 1-6 on August 31st in the evening. We will keep MP and Ridgecrest families together in kinder classes, as well as the other schools as much as possible. With approximately <u>200 kindergartners</u>, we appreciate your understanding of this challenge to create <u>9 or 10</u> kindergarten classrooms.

Even as a great school, we continue to grow and improve. This year we enhanced our already strong positive behavior systems and increased movement during the day. Our staff learned about equity, and we worked on an updated school vision. Our staff cares about providing a positive, balanced academic and social experience for all students. Students had wonderful experiences in Music, PE, and the Library. Lunch was delicious, and recess was full of exercise, fresh air, and rain. It even snowed!

Thank you, **Callie and the Board**, for leading our PTSA to greatness. Thanks, **classroom volunteers**, for all of your time and talents. **Linda and Diana** - thank you for this amazing newsletter. We have wonderful support staff, including **Diane**, **Jill**, **Annie**, **Katie**, **Tama**, **and awesome supervisors**, **crossing guards**, **and para-educators**. Special thanks to our instructional coach and principal intern, **Julie Harris**.

Congratulations to our 6th Graders, Shorewood Class of 2023! MP is a wonderful and growing story, full of all the special experiences we provide for our students. Thank you for sharing your children and family with us. We are an award-winning school community because of our incredible staff and families, and it's an adventure to be your principal. Have a great summer full of travel, play, sun, walking/running, swimming, reading, and quality time together. We will miss you, and we look forward to seeing eager and smiling Cheetah faces in the fall!

Tadlock Tip #10: Summertime

This summer, we encourage the adults at home to provide lots of play outside, reading, and board games. Balanced structure and routines during the summer are good for kids. Please take your student(s) to the King County Library to sign up for the Summer Reading Program!

Thanks! - Mr. T

From the Library Media Center

Dear MP Families,

On Thursday, June 1st, for the second year in a row, we were lucky enough to have professional zaniac **Alex Zerbe** visit Meridian Park to kick off **King County Library System's Summer Reading**

CONSTRUYE UN MUNDO MEJOR

Program – "Build a Better World!" While covering many science concepts with his presentation, Alex was hilarious as well as inspiring. A big "Thank You" to KCLS for sponsoring Alex's presentation.

Please take advantage of the summer reading program, as well as other great literacy programs sponsored by the King County Library System this summer. There will be a summer reading kick-off

event at the Shoreline Library on Sunday, June 18th, Noon to 4:00 p.m., for the entire family, with many fun activities.

http://www.kcls.org/kids/summer

THANK YOU!

Thank you for your amazing support of the library throughout the 2016 - 2017 school year. With our book fairs, we were able to raise funds that we used to purchase library books for K-6 students, as well as support our Sasquatch and Young Readers Choice reading programs.

END OF YEAR - TURNING IN LIBRARY BOOKS

As of Tuesday, June 6th, students can only have one book at a time on their library accounts.

All library books are due on Tuesday, June 13th

Mike Adams, library technician, will send email notices, as well as hardcopy letters, to families beginning on Wednesday, June 14th, if books are still out.

Students who cannot find their overdue library books can choose to either pay for the books (\$10 for a paperback or \$20 for a hardcover), or replace them with like copies.

If replacing or paying for lost library books is a financial hardship, please contact me at jenny.hillger@shorelineschools.org or (206) 393-4125.

Students who still have library books checked out on the last day of school will not receive their report cards. Report cards will be held in the office. Students can pick up their report cards once they have resolved their library book issues.

SUMMER READING

Look on the Meridian Park library homepage for links to the MP library website and lists of great books that students can read throughout the summer. Have a great summer!

VOLUNTEERS NEEDED

Field Day is Friday, June 16th, 1:00 p.m.-3:15 p.m., and we need your help! This is one of the highlights of the year for many kids, and we need lots of family support to make it successful. If you would be willing to volunteer, please email Mr. Reiman at matt.reiman@shorelineschools.org. If someone you know is also volunteering and you would like to work at the same station, please indicate this as well.

PHYSICAL FITNESS REPORTS

Physical fitness reports will be sent home with report cards for 4th, 5th and 6th grade students. On each individualized fitness report, student scores are reported for measures of cardiorespiratory endurance, muscular strength and endurance and flexibility. Previous year's scores are also included on the report.

Scores are reported as meeting or falling below a "Healthy Fitness Zone". The HFZ represents a level of physical fitness that provides children adequate protection against lifestyle disease such as obesity, type II diabetes, heart disease, and stroke as they grow into adults. If your son or daughter is failing to reach adequate levels of physical fitness, it should provide an indication that he or she is not engaging in enough rigorous exercise.

While I would love to have every student at Meridian Park Elementary in the gym every day, the reality is that I only see each student for only an hour each week! The Center for Disease Control recommends that school-age children engage in at least 60 minutes of moderate to vigorous physical activity every day!

PARENT SURVEY

Each year I like to survey my community concerning their perceptions and satisfaction with the PE program at Meridian Park. I would really appreciate you taking a few minutes and providing me some feedback.

6TH GRADERS ARE FIT!

One of my student growth goals this academic year was helping my 6th grade students progress in the health-related component of fitness cardiorespiratory endurance. Cardio-respiratory endurance is the ability of the heart, lungs and blood vessels to deliver oxygen and nutrients to the cells of the body during sustained physical activity. At Meridian Park, we measure cardiorespiratory endurance using the Fitnessgram 20-Meter Pacer Test. Students are asked to run 20-meter laps at a progressively faster pace until they are unable to continue. I established baseline scores in October and went to work implementing more endurance activities in PE throughout the fall and into the winter. We retested in February, and I discovered that we still had some work to do. Over the last several months of the school year, we incorporated practice sessions into PE and refocused on concentrated improvement. Our final Pacer Test was administered in late May, and I am very pleased with the growth

of my students. The data tables that follow detail student progress over the year.

Percentage of students meeting or exceeding the Health Fitness Zone

	Pacer 1 October 116	Pacer 2 February 17	Pacer 3 May 17
Females	70%	72.5%	95.2%
Males	50%	55%	75%

More exciting to me than the number of students reaching standard on the Pacer is the amount of student growth over the course of the year. 84.3% of my female students demonstrated at least 10% growth over the course of the school year, followed closely by 77.7% of my male students. In an age where we hear constantly about the declining physical fitness of our society, I am very happy to report that this **is not** the trend at Meridian Park. I am very proud of the progress my 6th grade students have made this year, and I am going to miss this exceptional cohort of young adults.

From the Music Department

Thank you, Meridian Park PTSA and families for your amazing support of the music program at Meridian Park! It is such an asset that students can learn music in a beautiful space equipped with so many instruments and quality materials. Giving to your children brings benefits that last a lifetime.

1st grade students in Ms. Loes' and Ms. Reed's classes performed a short concert of songs at the June 6th PTSA meeting, where we also celebrated Meridian Park's wonderful volunteers.

3rd grade (and 2nd/3rd grade in Ms. Bachicha's class) will be performing a short concert for the preschoolers at the Shoreline Children's Center during school hours the afternoon of Wednesday, June 7th.

6th Grade singers, orchestra, and band will all perform at their "Moving On" program Thursday, June 22nd from 9:30 a.m. - 11:00 a.m.

I am amazed at all that the students have learned about music this year. Students, I am proud of you! Continue learning and listening to, participating in and just enjoying music all summer! Sing together, play instruments, move to music, draw or color or write a story about music that you hear! Try setting a poem or story to music. Also, take advantage of the many summer music events, camps, concerts, and musicals in the area. There are wonderful opportunities for families and children to enjoy music and the arts, and many of them are free.

Have a fun, safe, musical summer, and I'll see you all in the fall!

MEDICATION REMINDER

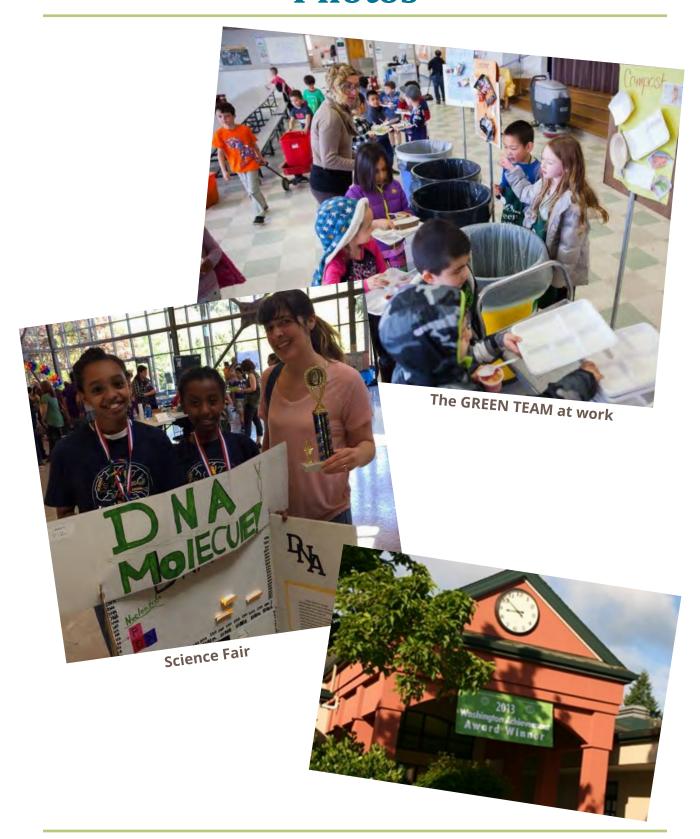

If your child has medication in the Health Office, please be aware that medications cannot be stored at school over the summer. **Parents, please stop by the Health Office to pick up your child's medications on or before the last day of school.** The Health Office will close at 12:30 p.m. on Friday, June 23rd (the last day of school). Emergency medications (Epi-pens and inhalers) should be picked up on the last day of school. Non-emergency medications (i.e. Tylenol, Ibuprofen) can be picked up before the last day of school.

Medications will NOT be sent home with students. Policy requires that medications left in the Health Office after June 23rd be destroyed. If you need to make special arrangements to pick up your child's medication, please contact Tama Leahy, Meridian Park School Nurse at (206) 393-4124 or tama.leahy@shorelineschools.org. Thank you!
