

You're Invited!

Third Grade Families

Fourth Grade Families

Fifth Grade Families

Sixth Grade Families

What: A night filled with hands-on activities for 3rd–6th grade families to promote the engineering process, scientific thinking, and an opportunity to learn and play as a family. Also, a celebration of 5th Grade Science Projects!

Why: To provide families with interactive STEM experiences and enjoy learning TOGETHER.

Who: Activities will be geared towards 3rd–6th grade students.

Your Role: Parents will engage with activities alongside students. This teamwork of families is necessary for success of the activities. Adults, be ready to build and explore this night!

When: Wednesday, May 2nd

Time: 6:00PM–7:30PM

Where: Meridian Park Elementary

**Discover the fun of engineering through
hands-on activities with your whole family!**

Don't Miss!

**Fifth Grade Science Fair Projects in the Cafeteria 5:30PM
–6:15PM**
